

Kidsborough's "Summer Season" Full-Day Program

The Program: As we enter our 10th Summer Season in 2009, the Kidsborough staff is hard at work planning our best summer ever! The children will enjoy a new theme each week which includes many enrichment-based activities such as: science, art, outdoor play, cooking, theme-based group activities, computer and math games. Examples of our themes include: "Mr. P's Time Machine," "Media Moguls," "Grossology 101" and our summer favorite "Carnival Week."

Size/Ratios: Our summer program is designed to meet the needs of children who aren't quite ready for a "mega-camp" experience. Therefore, our

program is limited to 32 children per session.

Students are grouped by grade, K-2 and 3-5. This allows the children to participate in activities with their peers, and allows the instructor to customize the curriculum.

Program Staff: All group leaders exceed the state requirements for their positions and most have a Bachelor's degree.

Program Hours: Children are welcome as early as 7:30 a.m., and may be picked-up as late as 6:00 p.m. Structured programs run between 10:00am-4:00pm.

Program Schedule: The program begins June 23, 2009 and runs for 9 weeks through

August 21st. Kidsborough offers both full and part-time attendance. Children may attend as little as 1 day or the entire 9 weeks. We provide healthy morning and afternoon snacks.

Program Tuition: The all-inclusive fee is \$275 per week for full-time attendance. Part-time is \$55 per day. Our two field trip days are \$15 extra. Sibling discounts are available, depending upon planned attendance.

We encourage you to visit our air-conditioned facility. With nearly 2,400 square feet, we're larger than we look. We are currently enrolling children between the ages of 5-11. Hope to see you this summer!
