

**Kidsborough**  
is coming to  
**Medfield!**

We are pleased to announce that Kidsborough will open a new center in Medfield beginning in the Fall 2010.

Kidsborough has been serving Metrowest families for over 10 years, delivering high

quality before and after-school care to children in grades K-5. We are unique in that we provide care off-campus and only serve school-age children. Our children enjoy being with their peers in a new setting after completing their school day. Kidsborough Kids look forward to our relaxed afternoon routine of eating a healthy snack, finishing homework, and then participating in a variety of

after-homework projects or just playing with their friends. We believe that knowledge is gained through experience. It is

our goal to expose children to a variety of high quality enrichment activities. It is our hope that through these activities the children will benefit both academically and personally.
