Dear Kidsborough Family:

It's hard to believe that Summer 2019 is just around the corner and now is the time to consider your plans for summer childcare! Our Kidsborough Summer Program is filled with new and exciting adventures to be explored! We provide a safe place for social and emotional growth so students can create lasting friendships over the course of the summer. By relying on each other to learn and grow, students create a community of education and fun!

See what we're up to this summer! Review our latest Theme Descriptions for a detailed list of our fun summer weeks including: "Galactic Getaway," "Super Sleuths," "Change of Art," "Once Upon A Time - An Engineer Solved Everything," and our 3rd annual "Kidsborough Olympics!"

Our summer program at Medfield will be led by Spencer Hastings, Site Coordinator at our Kidsborough@Luce location during the school year. Spencer will be joined by a combination of our awesome Medfield, Framingham and Canton staff. Mr. Hastings and his crew bring tremendous enthusiasm, experience and leadership to our summer program in Medfield!

As always, we offer a super fun curriculum, a great mix of indoor and outdoor activities, daily or weekly attendance options, and our 1:8 staff-to-child ratio.

Please let us know if you have any questions.

We look forward to seeing you this summer!

Sincerely,

Christeen Rohwer
Program Administrator

Theme descriptions and field trips!

Get Your Game On!

Week 1

6/24 - 6/28

Join us in kicking off the summer at Kidsborough with some fun challenges based on our favorite TV game shows (and even some classic games, too!) Test your knowledge with *Jeopardy*, phone a friend in *Who Wants to Be a Millionaire*, work on your speed and muscle control with *Minute to Win It* challenges; and culminate the week with our *Wipe Out* obstacle course!

This Land Is Your Land

Week 2

7/1 - 7/3

Take a tour of the United States from the comfort of Kidsborough! Learn all about our amazing country from coast to coast and everything in between. Join us as we journey through some national parks, visit historical landmarks, meet our past presidents, and indulge in some traditional American snacks! And remember - dress up in your most patriotic outfit on July 3rd for a stars & stripes celebration!

Kidsborough is closed on July 4th and 5th.

Galactic Getaway

Week 3

7/8 - 7/12

Delve into the depths of space as we explore the planets in our solar system and see what lies beyond the Milky Way! Study the phases of the moon, create some homemade constellation viewers, and get your spacesuit ready as we make our very own spaceship to launch us into the great unknown!

Field Trip: Roger Williams Planetarium - Marlborough: Tues 7/9; Hopkinton: Wed 7/10; Medfield: Thur 7/11

Super Sleuths

Week 4

7/15 - 7/19

Do you have what it takes to become a secret agent? This week participate in Kidsborough's own special spy training institute! Learn how to decode secret messages, write in invisible ink, and sneak through laser mazes! After a week full of training, our Kidsborough Super Sleuths come together to solve a whodunnit mystery!

Change of Art

Week 5

7/22 - 7/26

Art is often created with so much more than just paint, crayons, and markers! This week practice transforming out-of-the-ordinary materials such as straws, sponges, forks, grass, plastic and more into stunning and unique works of art! Experiment with different methods of creating art by using common materials in uncommon ways: paint with extra-long paint brushes or use your toes or opposite hand to draw! Shine in the endless creativity as we dabble in all kinds of alternative art!

Field Trip: deCordova Sculpture Park and Museum - Medfield Tues 7/23; Marlborough Wed 7/24; Hopkinton Thurs 7/25

From a ladder to save Rapunzel locked in the tower to a parachute that safely gets Jack down from the beanstalk, put your technical creativity to work and help our fairytale characters get out of some sticky situations!

Just Add Water

Week 9
