

Dear Lexington Family-

It is with tremendous enthusiasm that we begin our relationship with the Lexington Public Schools Community! We understand that many of you have had several years of care with a long-standing provider and transitions can be hard. Please know that we are committed to your child(ren) and family. I started this company so that I could provide an exceptional after-school experience for my own children and will provide nothing less to yours.

Our program is a fun mix of homework support, enrichment activities, awesome clubs, and outside play, all with an eye to providing the social, emotional, and developmental supports all children deserve.

We can't wait to meet everyone and introduce our program and staff to the Lexington community. Kidsborough Open House information will be posted by May 6th, including an event at each elementary school during the months of May or early June.

Please reach out with any questions or concerns to:
Lexington@kidsborough.com or 781-860-2151

See you soon!
